

IMPORTANT INFORMATION REGARDING YOUR REFERRAL

Your provider has referred your child to: _____

This referral request has been sent to our practice Care Coordinator to ensure that you get the assistance needed to schedule your child's appointment with the above specialist. Your provider has noted any special request you have made regarding the best date, time, etc. as discussed at your visit today for the Care Coordinator.

The Care Coordinator will contact the above specialist to obtain an appointment on your behalf. Once the appointment is made, the Care Coordinator will call you and inform you of the appointment date, time, phone number, address and directions if possible within 48 hours. Once the appointment has been made on your behalf it is your responsibility to keep or reschedule the appointment with the specialist office if needed.

In addition, any important information regarding your child's condition such as office notes, imaging studies, lab results, etc. will be provided to the specialist ensure continuity of your child's care when you leave our office.

While we would like to assist you with every referral, some offices will not allow us to make appointments on your behalf. Because of this, you will not receive a phone call from our Care Coordinator for the following specialist:

- GI Care for Kids; 404-257-0799 All important information regarding your child will be sent. Please call GI Care for Kids to set up an appointment 24 hours after the referral has been initiated.
